DEPT OF TRANSPORTATION

Dear Sirs,

I am writing to ask that people who are applying for commercial driver's licenses should undergo individual health assessments rather than being unfairly denied a job for which they are qualified.

People with diabetes should not be automatically discriminated against just because they have this disease! Each and every person should be judged on their own health and ability rather than put in a group and painted with the same broad brush.

Your kind attention and help with this matter is greatly appreciaed.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Stewart Perry".
